

**MCCA YOUTH ENCUESTRO 2024
COVENANT**

We come to the Encuentro from many cultures and backgrounds. While at Encuentro it is important that our lives be a Christian witness to the people in the area and that would not be a “stumbling block” to any of the participants. For this reason, it is expected that our testimony and witness be in keeping with the Covenant of Youth Encuentro.

As a participant at Youth Encuentro, **July 22-29 2024** , I commit myself to:

1. Not using any form of alcoholic beverages, non-prescription drugs and tobacco during the Encuentro
2. Respect the Conference Facilities by proper disposal of litter and not vandalizing conference property and equipment
3. Respect the ***designated restricted areas.***
4. Respect all persons and relationships at the Conference.
5. Submitting to the leading of God through full participation in sessions and prayerful reflection.

Note: I understand the need to abide by this agreement. I recognise the need to live by the Conference schedule regarding meals, sleep, the programme, to remain on the Encuentro sites, and to honour the privacy in designated sleeping areas. For the good of the Conference and community, I promise to live by this Covenant for the MCCA Youth Encuentro **2024**
